

COUNTY OF LOS ANGELES
DEPARTMENT OF PARKS AND RECREATION
"Creating Community Through People, Parks and Programs"

Russ Guiney, Director

May 1, 2007

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF A MOWING SERVICES CONTRACT
FOR EAST LOS ANGELES AREA PARKS
(First District - 3 Vote Matter)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that this project is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to the State CEQA Guidelines and the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987 cited herein.
2. Find that the recommended contract for mowing services can be more economically performed by an independent contractor than by County employees for the mowing of the East Los Angeles Area Parks.
3. Approve and instruct the Chairman to sign the attached two (2) year contract with Toribio's Landscape (Toribio) for mowing services at City Terrace Park, Eugene Obregon Park, Ruben Salazar Park, and Saybrook Park, collectively known as the East Los Angeles Area Parks, for a total maximum contract cost of \$21,015 per year, for two (2) years, upon Board approval, with three (3) one-year renewal options.
4. Authorize the Director of Parks and Recreation (Director) to exercise the Contract renewal options annually, if in the opinion of the Director, the contractor has successfully performed the previous contract period and the services are still required and cost-effective, and which may include a cost of living adjustment (COLA) per option year as determined by the Chief Administrative Office (CAO).

5. Authorize the Director to increase the contract cost by 10 percent (10%) during each contract year for unforeseen services or emergencies within the scope of the contract, which could increase the total annual contract cost to a maximum of \$23,117 for the first two (2) years.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The private sector has been providing mowing services for the East Los Angeles Area Parks since August 1993. This is part of the continuing effort on behalf of the Department of Parks and Recreation (Department) to provide the best possible service to the public.

The Department's cost analysis shows that the services can be performed more economically by an independent contractor. The proposed contracted services will enable the Department to continue to provide mowing services at the present service level which will ensure visitors enjoyment at the East Los Angeles Area Parks.

Implementation of Strategic Plan Goals

The proposed contract with Toribio, will further the County's Strategic Plan Goal One, (Service Excellence) and Goal Four (Fiscal Responsibility) through the provision of quality maintenance services at a savings over County costs.

FISCAL IMPACT/FINANCING

The annual contract and avoidable Department costs of \$33,598 to provide mowing services for the East Los Angeles Area Parks is \$15,624 less than the estimated County cost (\$49,222) to perform similar services for one year (Attachment I).

In accordance with County policy, the Contract contains a COLA provision whereby the Director, at his sole discretion may increase the contractor's compensation during the option years. The decision to include the COLA is based on the Department's experience that contractors may incur an increase in costs, such as insurance premiums, fuel, etc., during the option years which could impact their performance. As a result, this provision allows the Director to review cost information and determine if a COLA is justified subject to approval by the CAO. The Department will comply with the newly adopted Board policy to exclude the cost of labor from the base upon which a COLA is calculated, unless the contractor can show that his/her labor cost will actually increase.

To manage unforeseen service needs or emergencies affecting the mowing of the park, the Department is recommending that your Board authorize the Director to approve additional services on an as-needed basis within the scope of work up to 10 percent (10%) in any contract year or extension period.

Although the base contract amount includes regularly scheduled maintenance activities, the unforeseen services needs or emergencies provides for maintenance activities that are not anticipated or do not occur on a regular basis. These services may include additional areas for mowing, repairs due to vandalism or to maintain public safety.

The Department will not request the contractor to perform services which will exceed the approved maximum contract amount, scope of work or contract dates. If such services become necessary, the Department will either perform such work or will seek such necessary advance approval from your Board.

Operating Budget Impact

The annual cost of the proposed contract (\$21,015) is 20 percent (20%) more than the current contract cost (\$17,502). The increase cost of \$3,513 has been included in the Chief Administrative Offices' Proposed Budget presented to your Board on April 17, 2006. The Department has sufficient funds within its existing budget for Fiscal Year 2006-07 to accommodate any cost increases in the current year.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In compliance with the provisions of Los Angeles County Code Sections 2.121.250 through 2.121.420, this Department solicited proposals from private contractors for mowing services for the East Los Angeles Area Parks. The mandatory requirements for contracting, as identified in Section 2.121.380 of the Los Angeles County Code, have been met. The Proposition A cost analysis indicating that the recommended contracted mowing services can be performed more economically by the private sector are attached (Attachments I, II and III).

The term of the contract is for two (2) years and includes a provision whereby the Director may annually extend the contract for up to three (3) one-year option periods. The Director may exercise options if, in his opinion, the contractor has successfully performed in the previous contract period and the services are still required and cost effective.

The Department will comply with the newly adopted Board policy to exclude the cost of labor from the base upon which a COLA is calculated, unless the contractor can show that his/her labor cost will actually increase.

The California State Department of Industrial Relations, Division of Labor Standards Enforcement, was contacted and reported no negative information on the Contractor.

The contractor applied for an exemption for the Living Wage and Jury Service Programs. After review and analysis of the applications and financial records, the Department determined that the contractor meets the County's exemption requirements, as defined in the Living Wage Ordinance and the Jury Service Ordinance. The contractor is also certified with the State of California as a small business. The Department will continue to monitor the contractor to ensure compliance and eligibility for exemptions is applicable to the programs.

This contract contains the County's standard provisions regarding contractor obligations and is in compliance with all Board and CAO requirements.

Toribio has executed the attached contract and will provide the required insurance policy prior to the start of this contract naming the County of Los Angeles as an additional insured.

County Counsel has approved the contract as to form.

ENVIRONMENTAL DOCUMENTATION

The approval of this Contract for mowing services is categorically exempt from CEQA in accordance with Section 15301(h) of the State CEQA Guidelines and Class 1(j) of the Environmental Document Reporting Procedures and Guidelines, adopted by your Board on November 17, 1987, because the project involves maintenance of existing facilities.

CONTRACTING PROCESS

On November 16, 2006, the Department commenced solicitation for mowing services by posting a notice for this project on the County of Los Angeles "Doing Business with Us" Website. The notice also included a link to download the solicitation package and bilingual instructions on how to contact the Department regarding this project. Attachment V is a listing of contactors who are registered for Landscape Services on the Internal Services Department's Website, and received notification of this project. Prospective contractors were additionally solicited by placing a legal ad in the San Gabriel Valley Tribune newspaper.

On December 11, 2006, six (6) companies attended the Proposer's Conference. On January 8, 2007, the Department received two (2) proposals.

All proposals were first reviewed to ensure compliance with mandatory minimum requirements outlined in the Request for Proposal (RFP). All proposals having met those requirements were then evaluated by an evaluation committee.

The Evaluation Committee consisted of three (3) Department employees. The Committee Members reviewed each proposal for business experience and qualifications, staffing, compliance with the Living Wage Program, quality control and the ability to accomplish the required mowing services. Based on the evaluation criteria described in the RFP, Toribio was determined to be the highest-rated and the most cost-effective proposal.

Proposition A contracts valued under \$1 million are no longer reviewed by the Auditor-Controller for cost-effectiveness, as stated in their memo of October 2, 2003. Therefore, the Proposition A cost analysis was performed internally using the guidelines and methodologies consistent with the Auditor-Controller procedures.

Attachment IV reflects the Proposer's minority participation. It should be noted that upon final analysis and award, the contractor was selected without regard to gender, race, creed or color.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract will not result in the displacement of any County personnel as these services are currently being performed by the private sector. It is anticipated that this contract will commence following Board approval. Therefore, there will be no impact to existing staff or service levels.

CONCLUSION

It is requested that a certified copy of the action taken by your Board and a fully executed copy of the attached contract be mailed to Toribio's Landscape: Jose Toribio, 1638 Sunflower Avenue, Glendora, CA 91740. It is also requested that four (4) conformed copies be forwarded to this Department.

Respectfully submitted,

Russ Guiney
Director

{A} The contractor has indicated that they can perform the services with less full-time equivalent staff since they are performing similar services in the area. The number of County positions is based on the total number of hours divided by the annual County productive hours of 1,764.

{B} The County's and contractor's salary costs are based on a percentage of staff's time. In addition, the contractor's employees are paid more than \$5 less per hour than the County items. The contractor's salary costs are approximately 53% of the contract costs.

{C} County has approved Contractor's request for exemption from the Living Wage as a Small Business; Contractor has less than 10 employees and earned less than \$900,000 in gross revenues during the previous 12 months. However, contractor has indicated paying its hourly employees providing services under this contract no less than \$12.00 per hour.

{D} As indicated on Attachment II, the total costs for services, supplies, and equipment are approximately 12% of the contract costs.

{E} Contractor's indirect costs (overhead) are approximately 8% of the contract costs and are associated with the cost of management, general accounting, and bookkeeping. For this contract, County's indirect costs are unavoidable.

- 3.2 If the Contractor provides any tasks, deliverables, goods, services, or other work, other than as specified in this Contract, the same shall be deemed to be a gratuitous effort on the part of the Contractor, and the Contractor shall have no claim whatsoever against the County.

4.0 TERM OF CONTRACT

- 4.1 The term of this Contract shall be for two (2) years upon the Board of Supervisors' approval, and continuing through May 31, 2009, unless terminated sooner or extended, in whole or in part, as provided in this contract.
- 4.2 The County shall have the sole option to extend the Contract term for up to three (3) additional one-year periods. Each such option year shall be exercised at the sole discretion of the Director, which may include a cost of living adjustment (COLA) per option year as provided for in Paragraph 5.2, hereinafter.
- 4.3 The Contractor shall notify the Department when this Contract is within six (6) months from the expiration of the term as provided for hereinabove. - 4.4 By reasons or acts beyond the control of the County, this Contract may be terminated by the County without liability or damages whenever the County is prevented by operation of laws, Acts of God, or by the official action of Local, State or Federal authorities from complying with the provisions of this Contract.

5.0 CONTRACT SUM

- 5.1 The contract sum under the terms of this Contract shall be the total monetary amount payable by the County to the Contractor for provision of

mowing services. Said sum shall comply with Exhibit A, Pricing and Billing Schedule.

- 5.2 The Contractor shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. - 5.3 In no event shall the Contractor be entitled to compensation exceeding the total contract amount unless the Contract is amended in writing pursuant to Section 8.0, Change Notices and Amendments.

5.4 Cost of Living Adjustment (COLA)

If the County elects in its sole determination to exercise the option years, the contract (hourly, daily, monthly, etc.) sum, identified hereinabove, may be adjusted annually based on the increase or decrease in the U.S. Department of Labor, Bureau of Labor Statistics' Consumer Price Index (CPI) for the Los Angeles-Riverside-Orange County Area for the most recently published percentage change for the 12-month period preceding the contract anniversary date, which shall be the effective date for any cost of living adjustment. Furthermore, should fiscal circumstances ultimately prevent the Board from approving any increase in County employee salaries; no cost of living adjustments will be granted. Where the County decides to grant a cost of living adjustment pursuant to this paragraph for contract option years, it may, in its sole discretion exclude the cost of labor (including the cost of wages and benefits paid to employees providing services under this contract)

from the base upon which a COLA is calculated, unless the contractor can show his/her labor cost will actually increase.

5.5 No Payment for Services Provided Following Expiration/Termination of Contract

The Contractor shall have no claim against the County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by the Contractor after the expiration or other termination of this Contract. Should the Contractor receive any such payment it shall immediately notify the County and shall immediately repay all such funds to the County. Payment by the County for services rendered after expiration/termination of this Contract shall not constitute a waiver of the County's right to recover such payment from the Contractor. This provision shall survive the expiration or other termination of this Contract.

- 5.6 The Contractor shall maintain a system of record keeping that will allow the Contractor to determine when it has incurred seventy-five percent (75%) of the total contract authorization under this Contract. Said invoices shall include all required certifications and reports as provided for in this Contract, including Subparagraph 10.1, Compliance with the County's Living Wage Program, and Exhibit B, Statement of Work, Section 3.0, Certifications/Reports. The Director hereby reserves the right to: (a) assign such personnel as are needed to serve as Contract Monitor(s) in order to inspect and review the Contractor's performance of, and compliance with, all contractual services, duties, obligations,

responsibilities, administrative procedures and staffing as set forth in this Contract, and (b) require the Contractor to provide such written documentation and/or regular reports as the Director deems necessary to verify and review the Contractor's performance under this Contract.

- 6.2 The County reserves the right to perform inspections at any time for the purpose of maintaining the Contractor's compliance with all Contract terms and conditions and performance standards.
- 6.3 The Contractor hereby agrees to cooperate with the Director, County Contract Managers and Monitors, and any appropriate State or Federal representative, in the review and monitoring of the Contractor's service program, records and procedures at any reasonable time, as requested by the County.
- 6.4 In the event the County commences legal proceedings for the enforcement of this Contract or recovery of the premises herein, the Contractor does hereby agree to pay any sum which may be awarded to the County by the Court for attorney's fees and costs incurred in the action brought thereon.

7.0 CONTRACTOR'S STAFF

- 7.1 At any time prior to or during the term of this Contract, the County may require that all of the Contractor's staff performing work under this Contract undergo and pass, to the satisfaction of the County, a background investigation, as a condition of beginning and continuing to work under this Contract. The County shall use its discretion in determining the method of background clearance to be used, up to and including a County performed fingerprint security clearance. The fees associated with obtaining the background information shall be at the sole expense of the Contractor, regardless if the Contractor's staff passes or fails the background clearance investigation.
- 7.2 The Contractor shall provide sufficient personnel to perform all work in accordance with the specifications set forth herein. The Contractor's employees, whether assigned to any one facility or as part of a crew

serving any number of facilities, shall include at least one individual who speaks and comprehends the English language.

- 7.3 The County has the absolute right to approve or disapprove all of the Contractor's staff performing work hereunder and any proposed changes in the Contractor's staff.
- 7.4 The Director may at any time give the Contractor written notice to the effect that the conduct or action of a designated employee of the Contractor is, in the reasonable belief of the Director, detrimental to the interest of the public patronizing the premises. The Contractor shall meet with the Director or his authorized representative to consider the appropriate course of action with respect to the matter and the Contractor shall take reasonable measures under the circumstances to assure the Director that the conduct and activities of the Contractor's employee(s) will not be detrimental to the interest of the public patronizing the premises.
- 7.5 The Director may require the Contractor to establish an identification system for personnel assigned to the facilities which clearly indicates to the public the name of the Contractor responsible for the mowing services. The identification system shall be furnished at the Contractor's expense and may include, but not be limited to, appropriate attire and/or name badges as specified by the Director.
- 7.6 The Contractor shall require each of his employees to adhere to basic public works standards of working attire. These are basically: uniforms, proper shoes and other gear as required by State Safety Regulations, and the proper wearing of the clothing. Shirts shall be worn at all times and shall be buttoned.

8.0 CHANGE NOTICES AND AMENDMENTS

The County reserves the right to change any portion of the work required under this Contract, or amend such other terms and conditions that may be necessary. All such revisions shall be accomplished in the following manner:

- 8.1 A Change Notice shall be prepared, and executed by the Contractor and the Director for any changes, deemed by the Director as necessary for the

proper mowing of the area, and which affect the Contractor's service requirements set forth in Exhibit B, and any corresponding changes in the Contract Sum, not to exceed the annual contract amount plus ten percent (10%).

- 8.2 For any change which affects any other term or condition included in this Contract, or any changes in the Contractor's service requirements as set forth in Exhibit B that exceeds the annual contract amount plus ten percent (10%), excluding the provisions of Paragraph 5.2 (COLA) hereinabove, an Amendment shall be prepared therefore, executed by the Contractor, and thereafter by the County's Board of Supervisors.
- 8.3 The County's Board of Supervisors, Chief Administrative Officer, or designee may require the addition of and/or change certain terms and conditions in the Contract during the term of this Contract. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors or Chief Administrative Officer. To implement such orders, an Amendment to the Contract shall be prepared and executed by the Contractor and the Director.
- 8.4 The Director may, at his sole discretion, authorize extensions of time as defined in Section 4.0, Term of Contract, of this Contract. The Contractor agrees that such extensions of time shall not change any other term or condition of this Contract during the periods of such extensions. To implement an extension of time, a "Notice to Extend" letter shall be prepared and executed by the Director.

9.0 STANDARD TERMS AND CONDITIONS

9.1 ASSIGNMENT AND DELEGATION

- 9.1.1 The Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of the County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this sub-paragraph, County consent shall require a written amendment to the Contract, which is formally

approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Contract shall be deductible, at the County's sole discretion, against the claims, which the Contractor may have against the County.

9.1.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of the Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of the County in accordance with applicable provisions of this Contract.

9.1.3 If any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without the County's express prior written approval, shall be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

9.2 AUTHORIZATION WARRANTY

The Contractor represents and warrants that the person executing this Contract for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Contract and that all requirements of the Contractor have been fulfilled to provide such actual authority.

9.3 BUDGET REDUCTIONS

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Contract.

9.4 COMPLAINTS

- 9.4.1 Within ten (10) business days after the effective date of this Contract, the Contractor shall provide the County with its plan for receiving, responding and abating all inquiries and complaints received from the Director, County personnel, or patrons using the facilities. The County will review and approve said plan or request changes. If changes are requested, the Contractor shall resubmit the revised plan within five (5) business days for approval. Changes by the Contractor must first be approved by the County before implementation.
- 9.4.2 During the term of this contract, the Contractor shall maintain an office located in the Los Angeles Metropolitan Area. In addition, the Contractor shall maintain a telephone at the office that is listed in the telephone directory in its own name or in the firm name by which it is most commonly known.
- 9.4.3 During normal business hours, Contractor shall have a responsible employee(s) to receive all inquiries and complaints that may be received from the Director, County personnel or

patrons using the facilities and take the necessary action. An answering service shall be considered an acceptable substitute to full-time coverage, provided the Contractor is advised of any complaint within one (1) hour of receipt of such complaint by the answering service. The Contractor's employee(s) responsible for providing the mowing services shall be available for notification through electronic communications during normal business hours.

- 9.4.4 During normal days and hours of operation, whenever immediate action is required to prevent impending injury, death or property damage to the facilities being maintained, the County may, after a reasonable attempt to notify the Contractor, cause such action to be taken by the County work force and shall charge the cost thereof as determined by the Director, against the Contractor, or may deduct such cost from an amount due to the Contractor from the County.
- 9.4.5 The Contractor shall maintain a written log of all complaints. The log shall include the name of the employee logging the complaint, the date and time of the complaint, the facility where the complaint is about, a description of the complaint, the name and address of the complainant, and the action taken or the reason for non-action. The log of complaints shall be submitted monthly with the Contractor's invoice and shall be open to the inspection of the Director at all reasonable times.
- 9.4.6 All complaints shall be abated as soon as possible after notification; but in all cases within 24 hours, to the satisfaction of the Director. If any complaint is not abated within 24 hours, the Director shall be notified immediately of the reason for not abating the complaint followed by a written report to the Director within five (5) days. If the complaints are not abated within the time specified or to the satisfaction of the Director, the Director may correct the specific complaint and the total cost incurred by the

County will be deducted and forfeit from the payments owing to the Contractor from the County.

9.5 COMPLIANCE WITH APPLICABLE LAW

9.5.1 The Contractor shall comply with all applicable Federal, State, and local laws, rules, regulations, ordinances, and directives, and all provisions required thereby to be included in this Contract are hereby incorporated herein by reference.

9.5.2 The Contractor shall indemnify and hold harmless the County from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and attorneys' fees, arising from or related to any violation on the part of the Contractor or its employees, agents, or subcontractors of any such laws, rules, regulations, ordinances, or directives.

9.6 COMPLIANCE WITH CIVIL RIGHTS LAWS

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The Contractor shall comply with Exhibit D, Contractor's EEO Certification.

9.7 COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM

9.7.1 Jury Service Program

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit H and incorporated by reference into and made a part of this Contract.

9.7.2 Written Employee Jury Service Policy

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this Subparagraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor shall also be subject to the provisions of this Sub-paragraph. The

provisions of this Subparagraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

3. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.
4. The Contractor's violation of this Subparagraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

9.8 CONFLICT OF INTEREST

- 9.8.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract.

No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

- 9.8.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Sub-paragraph shall be a material breach of this Contract.

9.9 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

9.10 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

- 9.10.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's

minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

9.10.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

9.11 CONTRACTOR RESPONSIBILITY AND DEBARMENT

9.11.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Contractors.

9.11.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

9.11.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality,

fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

9.11.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. 9.37.4 This Subparagraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in Subparagraph 9.37.2 above, and shall not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

9.38 RIGHT OF ENTRY

9.38.1 In the event this Contract is suspended or terminated in whole or in part, by the Board of Supervisors, the Board of Supervisors may instruct the Director to assume the responsibility of said

Contract, employ the necessary workers, purchase materials and supplies as may be necessary for the proper performance of the work contracted. For the purpose of satisfying and/or mitigating damages arising from a breach of this Contract, any excess costs as determined by the Director, arising therefrom over and above the compensation set forth within this Contract, may be charged against the Contractor.

9.38.2 In the event of such suspension or termination, all moneys due to Contractor or retained as security under the terms of this Contract shall be retained by the County; but such retention will not release the Contractor from liability for failure to perform under the terms of this Contract.

9.38.3 If in the sole discretion or judgment of the Director, and in accordance with Subparagraph 9.37, Remedies/Liquidated Damages, of this Contract, the Contractor and/or its employee(s) are not properly performing the services required under this Contract, then the Contractor and/or all of its employees may be temporarily replaced by County personnel and payment to be made by the County may be suspended while the matter is being investigated. In addition, the total cost as determined by the Director, incurred by County personnel shall be deducted and forfeited from the monthly payment to the Contractor from the County.

9.39 SUBCONTRACTING

9.39.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance written approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.

9.39.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:

a. A description of the work to be performed by the subcontractor;

- b. A draft copy of the proposed subcontract; and
 - c. Other pertinent information and/or certifications requested by the County.
 - d. The Contractor shall ensure delivery of all such documents to the Department at the address provided in Subsection 9.31, Notices, before any subcontractor employee may perform any work hereunder.
- 9.39.3 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
- 9.39.4 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its subcontractors of this County right.
- 9.39.5 The Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees.
- 9.39.6 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 9.39.7 In the event Director should consent to subcontracting:
- a. each and all of the provisions of this Contract and any amendment thereto shall extend to and be binding upon and inure to the benefit of the successors or administrators of the respective parties; and
 - b. the Contractor shall include in all subcontracts the following provision: "This Contract is a subcontract under the terms and conditions of a prime contract with the County of Los Angeles.

All representations and warranties shall inure to the benefit of the County of Los Angeles."

9.39.8 The Contractor shall obtain all Certificates of Insurance, which establish that the Subcontractor maintains all the programs of insurance required by the County, from each approved Subcontractor.

9.39.9 The Contractor shall indemnify, defend, and hold harmless County from any and all liability arising or resulting from the employment of any subcontractors and their employees in the same manner as for the Contractor's own employees.

9.40 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in Subparagraph 9.14, Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Subparagraph 9.42, Termination for Default, and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

9.41 TERMINATION FOR CONVENIENCE BY COUNTY

9.41.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by delivery to the Contractor of a Notice of Termination specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

9.41.2 After receipt of a Notice of Termination and except as otherwise

directed by the County, the Contractor shall:

- a. Stop work under this Contract on the date and to the extent specified in such notice, and
- b. Complete performance of such part of the work as shall not have been terminated by such notice.

9.41.3 After receipt of a Notice of Termination, the Contractor shall submit to the Director, in the form and with the certification as may be prescribed by the County, its termination claim and invoice. Such claim and invoice shall be submitted promptly, but not later than three (3) months from the effective date of termination. Upon failure of the Contractor to submit its termination claim and invoice within the time allowed, the County may determine, on the basis of information available to the County, the amount, if any, due to the Contractor in respect to the termination, and such determination shall be final. After such determination is made, the County shall pay the Contractor the amount so determined.

9.41.4 Subject to the provisions of the paragraph immediately above, the County and the Contractor shall negotiate an equitable amount to be paid to the Contractor by reason of the total or partial termination of work pursuant to this clause which amount may include a reasonable allowance for profit on services rendered but shall not include an allowance on services terminated. The County shall pay the agreed amount, provided that such amount shall not exceed the total funding obligated under this Contract as reduced by the amount of payments otherwise made and as further reduced by the contract price of services not terminated.

9.41.5 In the event that, following service of the Notice of Termination of this Contract under the provisions of this clause, it is determined for any reason that the Contractor was not in default under the provisions of this clause, that the default was excusable under provisions of this clause, or the Contractor has, to the satisfaction

of the Director, cured any default, the Director shall issue, within five (5) business days, a rescission of the Notice of Termination, and the rights and obligations of the parties shall be the same as if the Notice of Termination had not been issued.

9.42 TERMINATION FOR DEFAULT

9.42.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, in the following circumstances:

- a. The Contractor has materially breached this Contract;
- b. The Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required under this Contract;
- c. The Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

9.42.2 Upon the occurrence of Subparagraph 9.42.1, this Contract shall be subject to termination. As a condition precedent thereto, the Director shall give the Contractor a minimum of three (3) days notice by registered or certified mail or personal service of the date set for termination thereof; the grounds therefor; and that an opportunity to be heard thereon will be afforded on or before said termination date, if request is made therefor.

9.42.3 Notwithstanding the above, the Director, in his/her sole discretion, may refrain from recommending immediate termination of this Contract for default if the Director, in his/her sole discretion, determines that the default is capable of being cured and (1) the Contractor cures its default within a five (5) day period after notice is given, or (2) if the default cannot reasonably be cured within the five (5) days after notice is given, the Contractor reasonably

commences to cure its default within the five (5) day period and diligently and in good faith continues to cure the default. If the Contractor fails to cure the default to the Director's satisfaction, the Director shall recommend termination for default to the Board of Supervisors.

9.42.4 In the event that the County terminates this Contract in whole or in part as provided in this section, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. Any excess costs, as determined by the Director, arising therefrom over and above the contract sum may be charged against the Contractor. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this Subparagraph.

9.42.5 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Subparagraph 9.42.4 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of a public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Subparagraph 9.42.5, the term

“subcontractor” and “subcontractors” mean subcontractor(s) at any tier.

9.42.6 In the event the County terminates this Contract in its entirety due to the Contractor’s default as provided in Subparagraph 9.42.1, the Contractor and the County agree that the County will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, the County’s costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the Contractor and the County agree that the County shall, at its sole option and in lieu of the provisions of Subparagraph 9.42.2, be entitled to liquidated damages from the Contractor, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five percent (5%) of the applicable year's Contract sum, whichever is less, as equitable compensation to the County for such actual damages. This amount of liquidated damages shall be either paid by the Contractor to the County by cash payment upon demand or, at the sole discretion of the Director, or designee, deducted from any amounts due to the Contractor by the County, whether under this Contract or otherwise.

- These liquidated damages shall be in addition to any credits, which the County is otherwise entitled to under this Contract, and the Contractor’s payment of these liquidated damages shall not in any way change, or affect the provisions of Subsection 9.22, Indemnification.

9.42.7 In the event that, following service of the Notice of Termination of this Contract under the provisions of this Subparagraph 9.42, it is determined for any reason that the Contractor was not in default under the provisions of this Subparagraph 9.42, that the default was excusable under provisions of this Subparagraph 9.42, or Contractor has, to the satisfaction of the Director, cured any

default, the Director shall issue, within five (5) business days, a rescission of the Notice of Termination, and the rights and obligations of the parties shall be the same as if the Notice of Termination had not been issued.

9.42.8 The rights and remedies of the County provided in this Subparagraph 9.42 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

9.43 TERMINATION FOR IMPROPER CONSIDERATION

9.43.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

9.43.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

9.43.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

9.44 TERMINATION FOR INSOLVENCY

9.44.1 The County may terminate this Contract forthwith in the event of

the occurrence of any of the following:

- a. Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- b. The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- c. The appointment of a Receiver or Trustee for the Contractor; or
- d. The execution by the Contractor of a general assignment for the benefit of creditors.

9.44.2 The rights and remedies of the County provided in this Subsection 9.44 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

9.45 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

9.46 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds

are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

9.47 TERMINATION UPON TRANSFER OF TITLE, MOWING RESPONSIBILITY OR PARK CLOSURE

Notwithstanding any other provision of this Contract, the County reserves the right to transfer title, mowing responsibility or close one or more of the facilities described in Section 2.0, "Facilities to be Maintained" of the Statement of Work, Exhibit B to this Contract (hereinafter, "Exhibit B, Section 2.0, Facilities to be Maintained").

9.47.1 In the event the County transfers title of one or more of the facilities described in Exhibit B, Section 2.0, Facilities to be covered, to a governmental agency (assignee), the County reserves the right to:

9.47.1.1 Terminate this Contract or, provided there is consent by an assignee, assign the County's interest in this Contract to said assignee. The County shall provide the Contractor with notice of termination or assignment of this Contract pursuant to this provision; or

9.47.1.2 Delete the transferred facility(ies) from the Contract or, provided there is consent by an assignee, assign those portions of the Contract dealing with the transferred facility(ies) to said assignee and reduce the Contract sum pro tanto. The County shall provide the Contractor with notice of deletion or assignment of said facility(ies) from this Contract pursuant to this provision.

9.47.2 In the event that the County transfers mowing responsibility for all or a portion(s) of one or more of the facilities described in Exhibit B, Section 2.0, Facilities to be covered, the County reserves the right to:

- 9.47.2.1 Terminate this Contract or, provided there is consent by an assignee, assign the County's interest in this Contract to said assignee. The County shall provide the Contractor with notice of termination or assignment of this Contract pursuant to this provision; or
 - 9.47.2.2 Delete the transferred facility(ies) from the Contract or, provided there is consent by assignee, assign those portion(s) of the Contract dealing with the transferred facility(ies) to said assignee and reduce the sum of the Contract pro tanto. The County shall provide the Contractor with a notice of deletion or assignment of said facility(ies) from this Contract pursuant to this provision; or
 - 9.47.2.3 Delete transferred portion(s) of the facility(ies) from the Contract or, provided there is consent by an assignee, assign the portion(s) of the Contract dealing with the transferred portion(s) of the facility(ies) to said assignee and reduce the Contract sum pro tanto. The County shall provide the Contractor with notice of deletion or assignment of said portion(s) of facility(ies) from this Contract pursuant to this provision.
- 9.47.3 In the event the County closes one or more of the facilities described in Exhibit B, Section 2.0, Facilities to be covered, the County reserves the right to:
- 9.47.3.1 Terminate this Contract upon the effective date of such closure(s). Upon the effective date of park closures(s), the Contractor shall immediately cease its operations, and within fifteen (15) days therefrom remove all items of its personal property, equipment and inventory. The County shall provide advance notice to the Contractor of such park closure(s); or

9.47.3.2 Delete the facility(ies) to be closed from the Contract and reduce the Contract sum pro tanto. Upon the effective date of park closure(s), the Contractor shall immediately cease its operations at said facility(ies), and within fifteen (15) days thereafter remove all items of its personal property, equipment and inventory. The County shall provide advance notice to the Contractor of such park closure(s).

9.48 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

9.49 WAIVER

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Subparagraph 9.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

9.50 WARRANTY AGAINST CONTINGENT FEES

9.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

9.50.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full

amount of such commission, percentage, brokerage, or contingent fee.

10.0 UNIQUE TERMS AND CONDITIONS

10.1 COMPLIANCE WITH THE COUNTY'S LIVING WAGE PROGRAM

10.1.1 Living Wage Program:

This Contract is subject to the provisions of the County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached as Exhibit J and incorporated by reference into and made a part of this Contract.

10.1.2 Payment of Living Wage Rates.

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that the Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), the Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to the County, including, without limitation, "Travel Time" as defined below in Subsection 5 of this Subparagraph 10.1.2, under the Contract:
 - a. Not less than \$11.84 per hour if, in addition to the per-hour wage, the Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or
 - b. Not less than \$9.64 per hour if, in addition to the per-hour wage, the Contractor contributes at least \$2.20 per hour towards the provision of bona fide health care benefits for its employees and any dependents. The Contractor will be deemed to have contributed \$2.20 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health

Services Community Health Plan. If, at any time during the Contract, the Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits, the Contractor shall be required to pay its Employees the higher hourly living wage rate.

2. For purposes of this Sub-paragraph, "Contractor" includes any subcontractor engaged by the Contractor to perform services for the County under the Contract. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall be subject to the provisions of this Sub-paragraph. The provisions of this Subparagraph shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. "Employee" means any individual who is an employee of the Contractor under the laws of California, and who is providing full-time services to the Contractor, some or all of which are provided to the County under the Contract. "Full-time" means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.
3. If the Contractor is required to pay a living wage when the Contract commences, the Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.
4. If the Contractor is not required to pay a living wage when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. The Contractor shall immediately notify the County if the Contractor at any time either comes within the Living Wage Program's definition of

“Employer” or if the Contractor no longer qualifies for an exception to the Living Wage Program. In either event, the Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County’s satisfaction that the Contractor either continues to remain outside of the Living Wage Program’s definition of “Employer” and/or that the Contractor continues to qualify for an exception to the Living Wage Program. Unless the Contractor satisfies this requirement within the time frame permitted by the County, the Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

5. For purposes of the Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Contract, “Travel Time” shall have the following two meanings, as applicable: 1) With respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time; and 2) With respect to travel by an Employee between County facilities that are subject to two different contracts between the Contractor and the County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time.

10.1.3 Contractor's Submittal of Certified Monitoring Reports.

The Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of the Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of the Contractor's current health care benefits plan, and the Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the County as Exhibit K and Exhibit L hereto, or other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, the Contractor shall promptly provide such information. The Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

10.1.4 Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same.

This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's contract with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's operations in California.

10.1.5 County Auditing of Contractor Records.

Upon a minimum of twenty-four (24) hours' written notice, the County may audit, at the Contractor's place of business, any of the Contractor's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The Contractor is required to maintain all such records in California until the expiration of five (5) years from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

10.1.6 Notifications to Contractor and Employees.

The Contractor shall place County-provided living wage posters at each of the Contractor's places of business and locations where the Contractor's employees are working. The Contractor shall also distribute County-provided notices to each of its employees at least once per year. The Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of Contractor employees.

10.1.7 Enforcement and Remedies.

If the Contractor fails to comply with the requirements of this Subparagraph, the County shall have the rights and remedies described in this Sub-paragraph in addition to any rights and remedies provided by law or equity.

1. Remedies For Submission of Late or Incomplete Certified Monitoring Reports. If the Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any

such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

- a. Withholding of Payment. If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until the Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
- b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

- c. Termination. The Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.
- 2. Remedies for Payment of Less Than the Required Living Wage. If the Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights or remedies:
 - a. Withholding Payment. If the Contractor fails to pay one or more of its employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the Contractor the aggregate difference between the living wage amounts the Contractor was required to pay its employees for a given pay period and the amount actually paid to the employees for that pay period. The County may withhold said amount until the Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to pay any of its employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of

damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages of \$50 per Contractor's employee per day for each and every instance of an underpayment to Contractor's employee. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

c. Termination. The Contractor's continued failure to pay any of its employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

3. Debarment. In the event the Contractor breaches a requirement of this Subsection, the County may, in its sole discretion, bar the Contractor from the award of future County contracts as described in Section 9.11.

10.1.8 Use of Full-Time Employees.

The Contractor shall assign and use full-time employees of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. The Contractor submitted with its proposal a full-time employee staffing plan. If the Contractor changes its full-

time employee staffing plan, the Contractor shall immediately provide a copy of the new staffing plan to the County.

10.1.9 Contractor Retaliation Prohibited.

The Contractor and/or its employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this Sub-paragraph may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

10.1.10 Contractor Standards.

During the term of the Contract, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, the Contractor shall demonstrate to the satisfaction of the County that the Contractor is complying with this requirement.

Notice 1015

(Rev. December 2006)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2006 are less than \$38,348 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2007.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from the IRS website at www.irs.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2006 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2006 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2006 and owes no tax but is eligible for a credit of \$824, he or she must file a 2006 tax return to get the \$824 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2007 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

Title 2 Administration
Chapter 2.203 Contractor Employee Jury Service

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

Title 2 ADMINISTRATION
Chapter 2.201 LIVING WAGE PROGRAM

2.201.010 Findings.

The board of supervisors finds that the county of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. Employers' failure to pay a living wage to their employees causes them to use such services thereby placing an additional burden on the county of Los Angeles. (

The general definitions contained in Chapter 2.02 shall be applicable to this chapter unless inconsistent with the following definitions:

- A. "County" includes the county of Los Angeles, any county officer or body, any county department head, and any county employee authorized to enter into a Proposition A contract or a cafeteria services contract with an employer.
- B. "Employee" means any individual who is an employee of an employer under the laws of California, and who is providing full time services to an employer, some or all of which are provided to the county of Los Angeles under a Proposition A contract, or under a cafeteria services contract at a county of Los Angeles owned or leased facility.

 - b. For cafeteria services, referred to in this chapter as a "cafeteria services contract," and
 - c. Who has received or will receive an aggregate sum of \$25,000.00 or more in any 12 month period under one or more Proposition A contracts and/or one or more cafeteria services contracts; or
 - 2. An individual or entity that enters into a subcontract with an employer, as defined in subsection C1 and who employs employees to provide services under the employer's contract with the county.

2.201.030 Prospective effect.

2.201.040 Payment of living wage.

- A. Employers shall pay employees a living wage for their services provided to the county of no less than the hourly rates set under this chapter. The rates shall be \$9.64 per hour with health benefits, or \$11.84 per hour without health benefits.
